Come meet another Jerusalem ...

In the heart of the revitalized Kiryat Hayovel neighborhood, there is one large house, which is home to Beit Rashut Ha'Rabim, the hub for Jewish Pluralism.

The goal of the **Rashut Ha'Rabim** - the Jerusalem Forum for Jewish Renaissance Organizations is to work collaboratively , as a forum, to change the discourse around the official ultra-Orthodox narrative and introduce moderate Judaism to the public discourse. Rashut Ha'Rabim seeks to advance an open city for all its residents, with the assistance of diverse organizations from the entire spectrum of Israeli Judaism.

Join us for a day of experiential learning for groups and organizations, including lectures, workshops and tours dealing with special issues in Jerusalem, and in Kiryat Yovel as a case study.

ACTIVITIES TO CHOOSE FROM:

- ▶ **LECTURES:** Jerusalem as a microcosm of the issues surrounding religion and state
- ▶ **STUDY WORKSHOPS:** Social justice through a Jewish lens
- ▶ **EXPERIENCE THROUGH MOVEMENT:** Who has a place in my neighborhood?
- ▶ **CREATIVE WRITING WORKSHOPS:** writing in the spirit of Jewish texts
- ▶ **TOURS:** Rashut Ha'Rabim and Kiryat Yovel - connections between sectors, community and tradition
- ▶ **IN ADDITION:** we offer a wide range of workshops and activities that we will be happy to organize for you: lectures, Beit Midrash and writing workshops, meditation, movement and theatre.
